

VENDOR OPEN HOUSE

Learn about creative beverage ideas! Beginning this April, we will launch our **FREE** seminars, hosted by some of our incredible vendors. **NO PURCHASE NECESSARY!** Please see the schedule below for more information.

CAFFE D'VITA

Wednesday, April 6th (9 AM to Noon)

With over 42 years of family-owned integrity and excellent customer service, Caffe D'Vita® manufactures hot, iced, and blended beverage products. Caffe D'Vita products are gluten-free, kosher certified, and made in the USA. Caffe D'Vita will visit Lollicup USA to discuss and demonstrate the application of some of its delicious drink mixes! Lollicup USA's selection of Caffe D'Vita products ranges from milkshake mixes to tasty coffee mixes.

MONIN

Wednesday, April 20th (9 AM to Noon)

Monin® offers a wide range of premium products including syrups, sugar free syrups, gourmet sauces and more. Monin's mission is to be the brand of choice, providing creative flavor solutions that make its customers successful. Monin will present the history of the company, followed by a discussion of beverage trends, product versatility and product sampling!

KERRY

Wednesday, May 4th (9 AM to Noon)

Kerry will stop by the Lollicup USA headquarters to discuss basic product information, beverage trends and products that will keep your business on top of those trends! Each brand by Kerry features delicious mixes for smoothies, sodas, teas, coffees and much more. Lollicup USA currently carries Big Train®, DaVinci Gourmet® and Oregon Chai®, all of which are brands under Kerry.

GHIRARDELLI

Wednesday, May 18th (9 AM to Noon)

Established in 1852, Ghirardelli® is America's oldest continuously operating chocolate maker. It is over 160 years old! Ghirardelli® is one of the few American companies that produce chocolate starting from the selection of cocoa bean and ending with finished products. Ghirardelli will discuss the importance of marketing Ghirardelli flavored items on your menu. The brand will also demonstrate its premium frappe line by presenting recipes!

CAPPUCCINE®

CAPPUCCINE

Wednesday, June 1st (9 AM to Noon)

Cappuccine® is a pioneer in the blended iced coffee market, offering more than 30 flavors including flavors with tea, with coffee and coffee-free flavors. Mixes are versatile and can be used to make frozen, over ice or hot beverages. Cappuccine will visit Lollicup USA to discuss the history of the company, and to demonstrate applications for some of its tasty frappe mixes! Cappuccine will also feature workshop videos.
